All New Webinars for 2017

To kick off the new year we are launching several new webinars for a variety of subjects like interdiction, and work flow. As always, these webinars are completely free and always have time for your questions.

Successful Interdiction with LPR

In the webinar, 22 year interdiction veteran Shawn Pardazi and Vigilant's Kevin Schneider, will discuss two case studies that utilized LPR data to establish evidence, leading to seizure of several hundred thousand dollars in United States currency.
